Due to popular demand
Placer County Office of Education
welcomes back Richard and Rebecca DuFour

Together Rick and Becky DuFour are respected authors and national presenters who promote higher levels of learning for all students through collaborative teams and systematic processes. Allow your school community to benefit from the results of focusing on learning in a collaborative culture.

What is a Professional Learning Community?

A *Professional Learning Community* is seen as a powerful and effective strategy for school change and improvement. Educators are committed to working collaboratively in order to attain increased academic achievement for the students they serve.

For more information about this event or Professional Learning Communities, please visit the Placer County Office of Education PLC website at:
